Area profiles are great for SEO as they contain area specific and real estate keywords. In addition, they allow you to establish yourself as an area specialist. Fully exploit this feature and reap the rewards.

Include:

- A brief history of the area
- Benefits of living / working / investing in the area
- Relevant Attractions
- Relevant Amenities
- Prominent Office Parks / Industrial investment opportunities (if applicable)
- A call to action that encourages website visitors to contact you, should they need additional information

Remember to:

- 1) Be original

Simply copying and pasting area information from Wikipedia won't cut it. Create original content with relevant keywords that will keep Google happy
